## HERRMAN HAPPY HOUR

"Do what you love, make something of yourself, and continue learning."

What was your first position at Herrman and Herrman PLLC?

I first joined Herrman and Herrman as a legal secretary.

What is your current position at Herrman and Herrman PLLC, and how long have you worked for Herrman and Herrman?

I am the Law Firm Administrator, and this year was my 27th anniversary at Herrman and Herrman PLLC.

What do you love most about your job?

I love helping team members accomplish new things, teaching others what I've learned, and helping them be successful.

What advice would you offer to others?

Be a sponge. Learn everything you can. Listen, regardless of your position, learn it all and ask questions so you can move up the ladder. Take every opportunity that is presented to you. You have to want it to get anywhere in life.

What advice would you give to your younger self?

I would tell them that if you love what you do with the job you're in right now, then grow with that and learn everything you can to become the top person in that job. If you don't like that, then go to school and find something that you'll like to do. Get the education you'll need to get to where you want to be. It doesn't matter how long you are in school because once you finish, your name tag will say "Debra Garcia RN" and not "Debra Garcia RN took me 10 yrs to complete this." Just do what you love, make something of yourself and continue learning.

Debby Garcia  
Law Firm Administrator

## REAL CLIENT REVIEWS

"Amy would 100% be in my corner"

"I had a personal Injury case against a company. Everyone at Herrman & Herrman was very professional from beginning to our successful end. Specifically, Amy Schadewald. Hopefully I never have to deal with anything like this again in the future, but if I did, Amy would 100% be in my corner."
