Herrman Happy Hour

"Everything is going to be alright"

If you weren't an attorney, what career do you think you'd have right now?

Probably some sort of sales position.

What was the funniest case you took on?

I take all my clients' cases seriously and I would never treat their injuries as a laughing matter.

What's the first thing you would do if you won the lottery?

Take care of my parents.

What is your guilty pleasure?

All you can eat buffets.

What is your most notable verdict/settlement?

I resolved a case earlier this year for \$265,000.00

What was the first job you had?

I used to work selling fireworks at a firework stand during Christmas and New Years.

What do you do with your free time?

I hang out with my dog Wendy!

Whom do you attribute your success?

All of my friends and co-workers along the way. No one does it alone.

What advice would you give your younger self?

Everything is going to be alright.

Pet Shelter of the Month

"Treat animals with compassion and respect"

GULF COAST
H U M A N E
S O C I E T Y

Their Mission

It is the mission of the Gulf Coast Humane Society to provide shelter and care for homeless animals through adoption, fostering, community partner ships, education, and affordable spay-neuter and vaccine services.

Vision

The vision of the Gulf Coast Humane Society is to create a community where animals are treated with compassion and respect and no longer need us for protection and shelter.

History

Gulf Coast Humane Society Corpus Christi is a nonprofit, no-kill animal shelter that houses and cares for hundreds of adoptable dogs and cats. A group of animal lovers, led by Frances Weil, formed GCHSCC on January 15, 1945. In April 1998, Tom and Cora Keeler donated the current facility from which they operate.
