## Herrman Happy Hour

"Don't take life too seriously, no one gets out alive."

**If you were not an attorney, what career do you think you would have today?**

If I would have chosen a different career, I would either be a psychologist or plastic surgeon. Both of those fields fascinated me when I was in college.

**What is the funniest case you took on?**

To be honest, I have not had any funny cases. Maybe some funny clients and things they have done but nothing that is appropriate to put on the newsletter.

**What is the first thing you would do if you won the lottery?**

Help my parents retire and pay off the debt of my immediate family.

**What is your most notable verdict/settlement?**

My most notable settlement was for a child, which I was able to obtain him a \$650,000 settlement.

**What was your first job?**

While I was still in high school, I took my first job as a waiter at Jim's restaurant in San Antonio.

**Whom do you attribute your success?**

I attribute it to my family who was always supportive and gave me a strong foundation so that I could succeed.

**What advice would you give to your younger self?**

Don't take life too seriously, no one gets out alive.
