## REAL CLIENTS, REAL STORIES

Yvette's son, Marcus, was riding his bike to a friend's house when a company truck ran a stop sign, leading her son Marcus to ride face-first into the door of the vehicle. Once he was in the hospital, Marcus called our law firm for help. Once we learned about Yvette and Marcus's situation, our team headed straight to him to ensure he was okay and that he knew he was in good hands.

At Herrman and Herrman PLLC, our goal is not only winning the case. Our top goal is to help our clients. If someone is injured and needs legal representation, we understand that their healing process requires more than a sum of money. People need medical care and support during difficult times. Our team strives to provide the best service and ensures our clients get the best care for their injuries.

Whether you were the victim of a motor vehicle accident, personal injury, or product liability, the personal injury attorneys at Herrman and Herrman PLLC are ready to help. Call us today so we can explain your injury case and what to expect moving forward!

### Sudoku Rules

Use numbers 1-9 to fill rows, columns, and boxes without repeating any numbers.

#### Across

1. A person who sees an event take place.
3. Medical care given to a patient for an illness or injury.
5. Consisting of many different and connected parts
7. A set of rules that are created and are enforceable by social or governmental institutions to regulate behavior.

#### Down

2. Practical contact with and observation of facts or events.
4. Unprocessed, unedited video files.
6. A formal examination of evidence before a judge, and typically before a jury, in order to decide guilt in a case of criminal or civil proceedings.
8. A formal written or spoken statement, especially one given in a court of law.
